

Gift Match-Up

Everyone loves giving and receiving gifts. Help Raphael figure out which gift goes in the Three Wise Men's gift packages.

First, write the two missing numbers on each package. Each row across the 3 packages is a different color-Blue, Yellow and Green. **Hint**: every package and every colored row should use the numbers 1–9 only once —no repeats allowed.

Next, add the two missing numbers on each package and write the totals on the lines below.

Last, draw a line from your answer to the gift that has the matching number.
